As Director of Discovery Services at iDS, Lacelle manages the activities of iDS' Discovery Services teams and is responsible for advising clients on how to leverage the latest technologies and industry best-practices to guide investigations from data identification through trial presentation.

Lacelle works to develop and implement strategies to ensure iDS' clients receive the highest quality eDiscovery and litigation. In addition, he serves as a member of the company's Strategic Leadership Group responsible for providing strategic and operational leadership to the company and executing on its short and long-term goals.

Prior to joining iDS, Lacelle was the Vice President of Discovery Services for FRONTEO USA, was Regional Manager of Practice Support for Reed Smith LLP, and Global Litigation Support Manager for Dewey & LeBoeuf LLP.
