

STEVEN SCOTT, SE+, CySA+

Consultant

Stevon provides comprehensive services supporting litigation and law enforcement professionals as a consultant and expert in litigation support in the digital forensics and cybersecurity fields.

A few of Stevon's specialties include Digital Forensics, Information Security Risk Analysis, Cybersecurity, Incident Response, and Penetration Testing.

Stevon attended Penn State University and graduated with honors with an NSA Accredited Bachelor of Science in Information Security and Risk Analysis. He holds multiple NSA cybersecurity certificates, and a minor in Information Science. Stevon also holds CompTIA Security + and CySA + certifications. He joined iDS as an intern while in school, and he is still with us as one of our Digital Forensics Consultants.

Born in Bremerton, WA, Stevon was raised in State College. In his free time, Stevon plays the drums, is an avid fitness fan, was a former athletic trainer of D1 and pro athletes, and is an outdoorsman.
