

DOMINIC TUCKER

Associate Director, UK/EEA

Before joining iDS, Dominic developed his consultative expertise in eDiscovery over the course of 15 years, consulting on the use of technology in support of a range of significant investigations, High Court litigations, and arbitration matters across public and private sectors. In his previous role, Dominic lead EMEA operations and eDiscovery consulting for another leading eDiscovery provider.

At iDS, Dominic's role is focused on the application of technology across all phases of disclosure, including the use of analytics and predictive coding, and he has a particular interest in the Disclosure Pilot Scheme currently proceeding in the English courts. Since the introduction of the GDPR, Dominic has also assisted various law firms and corporations to manage their responses to high volumes of Data Subject Access Requests (DSARS).

Dominic lives in Oxfordshire with his wife and two young daughters. When he's not crunching evidence, he enjoys the great outdoors with his family, some offroad cycling, a bit of running and an even smaller bit of windsurfing.
