Profile on LinkedIn

@iDiscoveryInc

Before joining iDS, Waqas developed adept expertise in computer information systems and digital forensic acquisitions. He has extensive experience in assisting cases ranging from intellectual property theft, data recovery, harassment, and criminal cases.

At iDS, Waqas delivers digital forensic investigation services to his clients. His skills are focused in the areas of data scoping and collection, extraction, processing, and analysis. Waqas is familiar with many forensic industry standard tools that support collection and analysis of computers, mobile devices, social media sites, and enterprise collaboration platforms.

Born in Pakistan, Waqas was raised in Orange County, California, where he and his spouse reside today. In his free time, he enjoys basketball and snowboarding.

EDUCATION

- BS, California State Polytechnic University of Ponom
- MCFE-AXIOM, Magnet Certified Forensic Examiner
